

### 3. Academic Programs

#### Basic Academic Philosophy:

- Govt. Maharaja Martand College Kotma is committed to preparing students for a life of continual learning, adaptability, and individual fulfillment. Our mentors and students will share responsibility for developing educational plans compatible with career aspirations.
- The entry of a various academic program will empower students to take charge of their educational careers through a collaborative mentoring relationship between mentors and students.
- Academic advising is a critical component of the educational experience. Through academic advising, we empower (guide) students to develop and implement sound educational plans that are consistent with their personal values, goals, and career plans. Our purpose is to guide students to become self-directed learners and decision-makers.
- This academic program will assist students to make a successful transition to college life and to take responsibility for learning how to set and achieve academic, career, and personal aspirations.
